# HARD WORKER of the Month

Pratt Elementary is on the look-out for **HARD WORKERS** each month to become part of an elite group of students who strive to use positive character traits every day.

One student from each grade level will be selected by staff each month.

Those students selected will have demonstrated the designated monthly trait on a regular basis.

Each month's trait will begin with a letter from the phrase **HARD WORKER**.

## February trait is Organized

An **organized** student is able to arrange, plan and carry through with an event or activity. Organized students keep track of their belongings or materials so that they can be easily found. Students who are organized can work more effectively and are less likely to lose the materials needed to complete a task.

## March's trait: Respectful

Being respectful is thinking and acting in a positive way about yourself or others. Students who show respect care about other's feelings and well-being. Respectful students treat others kindly, use their manners and listen carefully to what others are saying.

**Honest** (September)

**Ambitious** (October)

**Reliable** (November)

**Dependable** (December)

**Witty** (January)

**Organized** (February)

**Respectful** (March)

**Kind** (April)

**Encouraging** (May)

**Responsible** (June)

The following students have been selected as February's group of **HARD WORKERS**

with the trait

**ORGANIZED:**

**Pre-K: Adelynn Buckland**

**Kindergarten: Jamerilee Hill**

**1st Grade: Korbin Sullivan**

**2nd Grade: Janice Hung**

**3rd Grade: Willa Sutch**

**4th Grade: Leonel Sanchez-Chavez**

**5th Grade: Addy Buyea**

**6th Grade: Jordyn Meyers**

**Adelynn Buckland**  
is our Hard Worker for February.  
Addy is always helping to keep our  
classroom clean and **organized**.  
She does a great job keeping her cubby  
and her personal belongings in order.  
We are so proud of her!  
Great job Addy!  
Mrs. Luckman & Mrs. Niethe

**Jamerilee Hill**  
is the hard worker for kindergarten for the month of  
February. She is very organized and helps to keep our  
classroom neat and tidy. Jamerilee helps to organize  
our toys and classroom materials so everything is ready  
to be used when needed. Her belongings and  
materials can be found easily and quickly which helps  
her succeed in her school work.  
Congratulations Jamerilee, keep up the good work!  
Mrs. Weller

**Korbin Sullivan**  
is our hard worker of the month for February.  
Korbin is a very **organized** student which helps him  
to be successful in first grade. He always has all the  
materials needed to complete any task and frequently  
helps other students locate the materials they need  
as well. I am so excited to recognize him as the  
first-grade hard worker of the month for February!  
Ms. Nobles

**Janice Hung**  
is the 2<sup>nd</sup> grade Student of the Month because  
she is an exceptionally **organized** student!  
She is meticulous when completing all tasks,  
and she keeps her supplies and materials very  
tidy. She is always willing to help her friends  
get organized and keep their tables neat.  
Congratulations to Janice!  
Mrs. Zablocki

Being **organized** is a trait that everyone benefits from greatly, yet very few children possess it as a natural ability. **Willa Sutch** has shown that this skill is embedded into her daily life. She knows how to organize her workspace, her locker, her folders and even her routines. What is especially valuable to her peers is that Willa shares this trait to the benefit of others. She will help someone to get on track, make a transition and locate his/ her materials needed for the next task. Thank you so much for using your amazing organizational skills Willa!

Mrs. Calandra

**Leonel Sanchez-Chavez** is our fourth grade hard worker of the month. Leonel is very **organized**. He knows where his papers and belongings are at all times. When he is absent, he is organized in getting his materials so he can complete his work. Leo also helps others stay organized and find their things. We are proud of Leonel for being our hard worker of the month!

Great job!  
Mrs. Dissek

The Hardworker of the Month for 5<sup>th</sup> grade is none other than **Addy Buyea!** Addy has consistently throughout the year been very **ORGANIZED** with her assignments in all classes. Having multiple teachers can be a challenge keeping everything straight, however she makes sure her assignments are completed for each class! Not only are they done, but they are done well. We are very proud of the way she organizes her work, materials, and agenda, making her our **HARDWORKER OF THE MONTH!**

- Team 5

One word to describe 6th grader **Jordyn Meyers** is **organized**. Jordyn is a kind, soft-spoken, young lady who works extremely hard in school. She displays this trait by properly using her agenda, keeping her desk tidy, and her binders in order. When she switches classes, she always has materials for the given class. Jordyn's efficient use of time and materials help her to be successful in school.

Keep up the great work Jordyn!
