**\*\*From Our BCS Counselors:\*\***

In 2019, New York State Legislature created a law entitled **Erin's Law** which requires public schools to teach students age-appropriate prevention strategies as it pertains to child abuse awareness and prevention. The purpose is to provide students in grades K-8 with the tools needed for personal safety. This month, students will be presented with lessons in their classroom to meet the requirements of Erin's Law through the combined efforts of our school counselors.
