PARKING AND TRAFFIC CHANGES

As you know we have made a number of substantial changes to our parking lot areas as part of our ongoing capital project. The biggest changes made affect how the bus loops and the Elementary and District Office parking lots will flow. Please see the images on this page for these changes. The biggest daily change will impact those who pick up and drop off their students every day. Pick up and drop off (lower right) will occur in generally the same place as it has been the last couple years, but the entry and exit to the pick up and drop off loop has been moved to Quaker Road. This change allows for pick up and drop off to occur on a rolling basis and not be impacted by the release of busses in the afternoon. This also completely removes the pick up and drop off process from those parking each day.

The second big change is we have created a separate parking area that will align with the building office suites being constructed in the old middle school area. The entry to this area utilizes the old bus loop to access this newly configured parking area. Our existing bus loop was also reconfigured to exit differently in order to separate a portion of our parking lots from the bus loop.

We hope the images on this page show how these new spaces will flow, but we will also have temporary signage posted in all the new areas to help guide everyone through the changes until our permanent wayfinding signage is installed later in the fall.

Maren Bernard is our hard worker for June. Maren always tries her best. She follows classroom rules and is a good role model for her friends. Keep up the good work! We are so proud of you!
Mrs. Luckman

Madison Watson is the hard worker for kindergarten for the month of June. Madison is a very responsible student and is always wanting to learn and participate. She continuously tries her best in everything she does. Madison is willing to help out a friend when they need help and will take on the responsibility of being a leader when needed with her peers. Congratulations Madison, keep up the good work!
Mrs. Weller

Fombens Sejour is our first grade Hard Worker for the month of June! Fombens is a **responsible** student, because he always tries his best and is ready to participate in anything we are learning about. He takes responsibility for himself in the classroom, by making good decisions and helping others. I am so happy to have Fombens as the Hard Worker this month! Keep up the great work!
Ms. Nobles

Everly Rose is an exceptionally **responsible** student. She puts her full effort into all that she does. I can always count on her to complete work on time, make sure it is done well, and add creativity to every task! Her work ethic and positivity make her a great role model for her peers. Congratulations Everly!
Mrs. Zablocki

I nominate **Leo Garcia** as my June Hard Worker of the Month. Throughout the entire 3rd grade school year Leo has been a very **responsible** student. He comes to school prepared and ready to learn every day. He takes accountability for his actions and is a great example to his peers. Leo always tries his best and shows respect to all. His responsible attitude is what makes him a successful student and a role model to others. Keep up the fantastic work Leo!
Mrs. Pavlock

Congratulations to **Jakob Wahl**, 4th grade recipient showcasing the character trait of being **responsible**. Jakob has shown growth in his character throughout the year. He works hard, completes his work on time and with great quality, and makes sure his work is completed when he misses class for a band lesson. Jakob should be most proud of how responsible he was when selecting readers in class, not selecting his friends, but selecting others. Well done!
Mr. Norris

We would like to highlight **Jacob Linkowski** as our 5th grade **HARD WORKER** of the month for June. We were looking for a student who, throughout the **ENTIRE** year, has shown examples of being **RESPONSIBLE**. Jacob was an easy choice for us! He has continuously been prepared for class, followed directions/expectations and made good choices all throughout the day. His teachers know he can be trusted with various tasks and he takes pride in completing them. Great job Jacob!! - Team 5

Throughout the school year, the 6th grade teachers have stressed the importance of being “**responsible**” for yourself. **Trevor Brawley** demonstrates this trait on a daily basis. He consistently completes work on time and seeks assistance when needed. He is always willing to stay 10th period to stay on top of things and sometimes even to get ahead. Trevor does the right thing when it comes to appropriate behaviors and consideration for adults and peers. We are so proud of you, Trevor! -Team 6
