

## EClub Goes to an Escape Room

Recently students in EClub went to *Into the Enigma*, an escape room located in Medina. EClub president Alexzander Detschner said, "The escape room was fun. It had a cool story line." Members successfully worked as a team to problem solve clues to make their way out of the room. Evelyn Bish thought that the escape room "was a great communication and team building activity." Meghan Mallon said, "I liked being able to solve an escape room with my friends. I thought the story line was really fun and I would definitely do it again."

Everyone also had an opportunity to have lunch together at Avanti Pizza and visit some shops on Main Street. Alyssa Thompson said, "Lunch was amazing. The walking around before and after really brought the day together. I had so much fun." Madilyn Detschner added "I loved the rest of the trip as well. The meal was good, the books looked really cool and the chocolate was great." Elizabeth Hopkins summed up the day saying, "It was a really fun experience and a wonderful time." "Avanti Pizza was delicious and it was fun to sit together and talk about the day. We went to the bookstore, flower shop, and pharmacy which were all very cute stores and very enjoyable to walk through. I never knew there were so many cute shops there and I am excited to go again. The chocolate store smelled really good and there were a lot of options," said Evelyn Bish.

## **Monaco Wins Poster Contest**

For over three decades, Lions clubs around the globe have been sponsoring a very special art contest in schools and youth groups. Creating peace posters gives children everywhere the chance to express their visions of peace and inspire the world through art and creativity. Barker Lions Club participates in this International Competition. To determine the local winner, the entries are put on display at a regular meeting. The members present vote by secret ballot to select the entry to move on to the District 20N competition. From there, the winning entry moves to the MD20 New York State and Bermuda competition, and finally onto the International competition. At the International level, the student receives a college scholarship. Also, he or she is a guest at the Lions International Convention and has their entry made into a lapel pin.

(L-R): Mr. Mallon, Elise Monaco, Mrs. Phillips.

This year, 6th grade student, Elise Monaco, was selected as the local winner. Mr. Tom Mallon, Barker Lions Club member, presented Elise with an art kit for her winning entry. The Lions appreciate all the entries and look forward to next year's Peace Poster Contest.
